SCHOOL SHOW PERMISSION SLIP

Dear Principal,

_____ will be participating in Franklin Civic Operetta Association's production of "*The Miracle Worker*" held at the Barrow-Civic Theatre. This is our third school show program we have offered as part of our season of shows and we are excited to continue this tradition of outreach to the youth in our communities.

We are scheduled to do performances for the local school children on **Monday May 3, 2010**. This means the student mentioned above will not be in attendance at school on that day. We hope you will excuse them from school for that day.

As you are aware, the arts are a vital part of education and the Barrow-Civic Theatre School Show programs have enhanced continuing arts education in our communities. In addition, there are seats still available for these school productions if you are interested in sending some students to the production. For more information, please contact Martha Heise, School Show Coordinator and Youth Theatre Chair, at 814-677-9989.

If you have any questions regarding the value of this program or concern regarding their absence, please Martha Heise at 814-677-9989.

Thank you for your assistance and understanding,

The FCOA Production Committee,
Franklin Civic Operetta Association
